Training School)*

Lithium Batteries - Dangerous Goods Awareness

***(2 DAYS Program)
HRDF/SBL Claimable
Date: 8th & 9th September 2016
Venue: Vistana Hotel, Penang
Time: 9.00am – 5.00pm***

INTRODUCTION

Lithium batteries have become the preferred energy source to power a wide variety of consumer goods ranging from mobile phones to children toys to e-bikes and passenger vehicles.

Though widely used, most people are not aware that lithium batteries are dangerous goods and can pose a safety risk if not prepared in accordance with the transport regulations.

To help with their compliance requirements, IATA has developed guidance information for shippers, freight forwarders, ground handlers, airlines and passengers.

TARGET PARTICIPANTS

Shippers, Freight Forwarders, Ground Handlers.

COURSE OBJECTIVE

To educate and create awareness among participants on compliance requirements base on IATA guideline on the handling of Lithium batteries.
